

Yachting Australia Sailability Fund

Aim of Funding

Yachting Australia has registered a Sailability Australia Fund with the Australian Sports Foundation.

The purpose of the fund is to assist in the development of Sailability in Australia by:

- Increasing participation
- Training, recognition, and development of Instructors, Coaches, Officials, and Volunteers
- Sailor development

In the area of participation the funding collected under the Yachting Australia Sailability Fund can be applied to:

- Equipment for clubs
- Recognised courses and coaching programs for Sailability sailors
- Travel assistance for regional/remote athletes with a disability to attend coaching programs and regattas

In the area of training, recognition, and development of Instructors, Coaches, Officials, and Volunteers the funding can be applied to education programs, courses, and workshop fees.

In the area of sailor development funding can be applied to:

- Travel assistance to national and international events
- Coaching and coaching camps
- Uniforms / sailing clothing
